

Baby I'm Your Fiend

Teena Marie

Yeah, everybody got one, and you're mine
Baby I'm your fiend, baby I'm your fiend, baby I'm your fiend
I've been cravin' for your love, I've been savin'
I've been pavin' the low road to you
Baby I'm your fiend, baby I'm your fiend, baby I'm your fiend
You got me open wide
Under my skin, honey I can't fight you
Might as well just resign myself to this
I can't shake it, got a love hangover
And it haunts me, 'cause it's deep in my veins
Baby I'm your fiend, baby I'm your fiend, baby I'm your fiend
I've been craving and I ain't misbehaving
I've been pavin' the low road to you
Baby I'm your fiend, baby I'm your fiend, baby I'm your fiend
You got me open wide
Kinda woozy, how's about a real shot?
Maybe bourbon, it's right there in my bag
I done lost it, I don't have to tell you
Consequently, my stripe's like Billie's yellow
Making love to Cole, drinking, you know
Are you stayin'? Are you just in town a while
That's Vertigo, yeah you know I'm diggin' on you for days
Baby I'm your fiend, baby I'm your fiend, baby I'm
your fiend
You got me open wide
Kinda woozy, how's about a real shot?
Maybe bourbon, it's right there in my bag
I done lost it, I don't have to tell you
Consequently your stripe's like Billie's yellow
Makin' love to Cole, drinkin' you know
Are you stayin'? Are you just in town while
That's Vertigo, I'm feelin' low
I'm diggin' on you for days
I'm dizzy on the dance floor
Do I dig you for sure
I need a little bit more
To help me in this cold war
