

Hallo Hallo (Hitvision Radio Edit)

Ace of Base

Hallo hallo

Hallo hallo

Hallo hallo

Hallo hallo Coming from my work, I'm tired

I see you get on my bus

Here I go again, a new attraction And I think, I know you

Something is familiar 'bout your face

I move through the crowd

So I can get a better look (Hallo hallo)

I've got what you're searching for

(Hallo hallo)

Can't you see me? Hallo (Hallo)

Everybody's looking for a crazy heart

Can't you see me?

I'm here, beside you Weren't you the one that spilled

My long drink over at a bar?

"Easy come, easy go"

I said and laughed Looking like a question mark

You stood there wondering what to do

Then I said to you

"Don't you look too happy now" (Hallo hallo)

I've got what you're searching for

(Hallo hallo)

Can't you see me? Hallo (Hallo)

Everybody's looking for a crazy heart

Can't you see me, I'm happy? (Hallo hallo)

Here I'm standing next to you

(Hello hello)

I'm an object, nothing new (Hello hello)

Talk to me, you're looking strange

Let me know if my presence is bothering you Hallo hallo, everybody's looking

Oh, can't you see me?

Hallo hallo

Everybody's searching

Oh, can't you see me? Hallo hallo, everybody's looking

(A crazy heart, a heart)

(Oh, can't you see me?) Hallo Hallo, everybody's searching

Oh, can't you see me?

Hallo
