

Stay On It (feat. Lil Durk)

Tink

[Intro]

Check, check, check

(C-Sick, C-Sick, C-Sick)[Verse 1: Tink]

Up like a pilot

The money's so violent

We valet the whip and then run in the spot

Feeling important, so fly like I'm Jordan

A ring cost a mil, that's a (?)

Rockin' designer, now we on the middle

Loafs on my feet cost a whole lotta peta

Piece on my hip like a motherfuckin' beeper

Don't let it ring off

Car full of niggas who know how to get you

And do you in minimum time

Run through the bank

And deposit more cake than a baker would bake for her bride

March in the buildin'

They all get filmin' like we got a movie to cut

Shoot out the dealer

I'm hot as a fever the floor (?) like it's in the Ku Klux

[Interlude: Tink]

Please ladies and gentlemen I have to believe you

(Point is shit don't really stop)

?

(Whole lotta money bein' made)

Breath in, breath in, greed works

(Niggas know what time it is, you know)

[Hook: Tink]

All day, all night

I stay on it, I stay on it

All day, all night

I stay on it, I stay on it[Verse 2: Lil Durk]

All white with the Loubs on

I air (?) blue, get your cruise on

Take it slow, less talk, get your cruise on

Chanel purse, Jimmy Choo on

Street nigga and I'm on what you want

Street nigga and I'm on what you want

All day, all night baby

Ex-bitch call my phone tryna fight, let's go
No I want you
Street nigga with a melody
Only nigga in Toronto with a felony
On Eastside bitch but I'm tellin' you
And "you Lil Durk crazy" what you tellin' me
Yeah, what you tellin' me
Straight out the gutter
I ain't got a shame, people less more (?)
I'm lovin' the way you
And you lovin' the way I
Smell like the money
Since I met you girl, you been 100
Took you from your man and he ain't know nothin'
Yeah, he stuntin'
Yeah, yeah, yeah
[Interlude: Tink]
Uh, let's go and get this shit two times, you know?
I'm back to back
They don't know
Haha
Durk what up
Yeah, yeah, yeah[Hook: Tink]
All day, all night
I stay on it, I stay on it
All day, all night
I stay on it, I stay on it
