

Drunk Driving Man

Nashville Pussy

Oh, look outI got both hands on the bottle
And I'm weaving on down the road
I got whiskey that's pushing the throttle
And my liver's about to explodeSo I drink a little more, go a lot faster
Cruising towards a real cool disaster, yeah
Oh yeahListen
I'm the drunk driving man and I'm all right
He's a roller
Drunk driving man, in fact I'm outta site
He's a roller
Well, I'm hogging both sides of the highway
Hey, who are you honking at?
And I'm bouncing off the guardrails
So you pigs, you better stay backSo I drink a little more go a lot faster
Cruising towards a real cool disaster, yeah
Oh yeahBut listen
I'm the drunk driving man and I'm all right
He's a roller
Drunk driving man, in fact I'm outta site
He's a rollerDrunk driving man, just doing it for the kids
He's a roller
I'm the world's greatest hero
Drunk driving, drunk driving man
I'm the drunk driving man and I'm all right
He's a roller
Drunk driving man, oh, I'm outta site
He's a rollerDrunk driving man, just doing it for the kids
He's a roller
Well, I'm the world's greatest hero
The drunk driving manLook out, look out, look out, look out
Drunk driving man
Look out, look out, look out, look out
Drunk driving, drunk driving man
Drunk driving man, drunk driving man
