

Inside

Sting

Inside the doors are sealed to love
 Inside my heart is sleeping
 Inside the fingers of my glove
Inside the bones of my right hand
 Inside it's colder than the stars
 Inside the dogs are weeping
 Inside the circus of the wind
Inside the clocks are filled with sand
 Inside she'll never hurt me
 Inside the winter's creeping
 Inside the compass of the night
 Inside the folding of the land Outside the stars are turning
Outside the world's still burning Inside my head's a box of stars I never dared to open
 Inside the wounded hide their scars, inside this lonesome sparrow's fall
 Inside the songs of our defeat, they sing of treaties broken
Inside this army's in retreat, we hide beneath the thunder's call Outside the rain keeps falling
 Outside the drums are calling
 Outside the flood won't wait
Outside they're hammering down the gate Love is the child of an endless war
 Love is an open wound still raw
Love is a shameless banner unfurled
 Love's an explosion,
 Love is the fire of the world
 Love is a violent star
 A tide of destruction
 Love is an angry scar
A violation, a mutilation, capitulation, love is annihilation. Inside the failures of the light, the night is wrapped
 around me
 Inside my eyes deny their sight, you'd never find me in this place
 Inside we're hidden from the moonlight, we shift between the shadows
Inside the compass of the night, inside the memory of your face Outside the walls are shaking
 Inside the dogs are waking
 Outside the hurricane won't wait
Inside they're howling down the gate Love is the child of an endless war
 Love is an open wound still raw
Love is a shameless banner unfurled
 Love's an explosion,
Love is the fire at the end of the world
 Love is a violent star

A tide of destruction
Love is an angry scar
The pain of instruction
Love is a violation, a mutilation, capitulation,
Love is annihilation. I climb this tower inside my head
A spiral stair above my bed
I dream the stairs don't ask me why,
I throw myself into the sky Love me like a baby, love me like an only child
Love me like an ocean; love me like a mother mild
Love me like a father, love me like a prodigal son
Love me like a sister, love me like the world has just begun
Love me like a prodigy, love me like an idiot boy,
Love me like an innocent, love me like your favorite toy
Love me like a virgin, love me like a courtesan,
Love me like a sinner, love me like a dying man. Annihilate me, infiltrate me,
Incinerate me, accelerate me,
Mutilate me, inundate me,
Violate me, implicate me,
Vindicate me, devastate me Love me like a parasite, love me like a dying sun
Love me like a criminal, love me like a man on the run Radiate me, subjugate me,
Incubate me, recreate me,
Demarcate me, educate me,
Punctuate me, evaluate me,
Conjugate me, impregnate me,
Designate me, humiliate me,
Segregate me, opiate me,
Calibrate me, replicate me
