Snowball

Jimmy Fallon

Snow day
School's closed and I can't wait
To go outside and I just might
Get into a snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
I ran a jump attack
On a snowman
Turn around and didn't see
15 snowballs comin' at me
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Moon boots and a hand-me-down snowsuit
Snot is dripping from my nose
My lips are chapped and my cocoa froze
And I get low and I can see in through your window
Sneak attack in a field, use your toboggan as a shield
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snowball, snowball
Snowball fight
Snow, ball, fight, fight, fight
Snow, ball, fight, fight, fight

Snow, ball, fight, fight, fight
Snow, ball, snowball fight
