Kiss Me

Ed Sheeran

Settle down with me
Cover me up
Cuddle me in
Lie down with me
And hold me in your arms
And your heart's against my chest, your lips pressed to my neck
I'm falling for your eyes, but they don't know me yet
And with a feeling I'll forget, I'm in love now
Kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love
Settle down with me
And I'll be your safety
You'll be my lady
I was made to keep your body warm
But I'm cold as the wind blows so hold me in your arms
Oh no
My heart's against your chest, your lips pressed in my neck

I'm falling for your eyes, but they don't know me yet
And with this feeling I'll forget, I'm in love now
Kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love
Yeah, I've been feeling everything from hate to love from love to lust
From lust to truth I guess that's how I know you
So I hold you close to help you give it up
So kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love

Kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love
