Adda Lee

Frank Black

I'm a wishbone and I'm breaking
Yeah, I'm wishing for Adda Lee
And the lake sings and the dogs don't
They are quiet for Adda Lee, Adda LeeI'm sorry and I miss you
And away, I went away
'Cause I wished I was away
I wished I was awayA wishing well
Of well wishing
And Adda waves away
Adda waves awayHeroine from the stars
I don't know where I am
But I know who you areAdda Lee
Adda LeeAnd she whispered
And she left me a man
For the worldOh, Adda Lee
Oh, Adda Lee
Oh, Adda Lee
