It's Always You

Chet Baker

Whenever its early twilight
I watch Ã¢??til a star breaks through
Funny, its not a star I see
It's always you

Whenever I roam through roses
And lately I often do
Funny, its not a rose I touch
It's always you

If a breeze caresses me
It's really you strolling by
If I hear a melody
It's merely the way you sigh

Wherever you are, you're near me
You dare me to be untrue
Funny, each time I fall in love
It's always you

If a breeze caresses me
It's really you strolling by
If I hear a melody
It's merely the way you sigh

Wherever you are, you're near me
You dare me to be untrue
Funny, each time I fall in love
It's always you
