# Crazy About You

## Artist Vs Poet

Ooooo...
I'm crazy about you
I'll give you all my love
Yes I'm crazy about you
Night and day, day and night
I'll be your heart's salvation
Hey baby, let's stay together
Let's make it now and forever
I want to show it and shout it
And tell the whole world about it
I thought it never could happen
I thought you never would see me
You run a lovin' locomotive
You make my needs very primitive
The more I get, the more I want from you, of your affection
When you're around, I'm in control, I feel a complete connection
Hello, hello

I'm so crazy about you, you know... baby
Hello, hello, hello
Yes I'm crazy, so crazy about you
C'mon close your eyes, honey, trust me!
I want to enjoy your body
I want to take you much higher
And play the game of desire
Well I can't hide
I'm getting hungry for a bite
I'm blinded by this obsession
I keep dancing like your possession
I'll wrap my legs all around you I'll show you total devotion
No need to talk love will speak to you with sweet emotions
Hello, hello
I'm so crazy about you, you know...baby
Hello, hello, hello
Yes I'm crazy, so crazy about you
