Masterpiece

Atlantic Starr

A simple touch of your hand,
And everything is right.
The gentle way you look at me,
When we kiss goodnight.
You've given me the freedom no other love has known
And now I thank you girl , thank you girlThe countless ways you've touched my heart
Is more than I can say
The beauty that you've shown to me
takes my breath away
A picture perfect painting, that's what our love is
And yes I need you so, and now I knowChorus:
ooooh
I've found a masterpiece in you
a work of art it's true
And I treasure you my love
ooooh
I've found a masterpiece in you
a work of art it's true
And I treasure youSometimes I wonder what I'd be
Had I not found you
A least and lonely soul this world
could show me nothing newBut now my life's a canvas
painted with your love
And it will always be
And now I seeThe gentle walks together
Through time will never pass
This fairy tale we shared
is real inside our hearts
let it be forever
never let it end
this promise I can make
Heaven is ours to takeRepeat chorusWhen I'm lost and insecure
you build me up and make me sure
that everything will be alright
My loveRepeat chorus(This fairy tale we're sharing
is real inside our hearts
Let it be forever
never let it end)
