

# Ghosting

## Ken Burns

I've been ghosting  
I've been ghosting along  
    Ghost in your house  
    Ghost in your arms  
    When you're tossing  
    When you turn in your sleep  
It's because I'm ghosting your dreamsAnd this is why I have decided  
    To pull these old white sheets from my head  
    I'll leave them folded neat and tidy  
So that you'll know I'm out of hidingI've been ghosting  
    I've been ghosting alone  
    Ghost in the world  
    Ghost with no home  
    I remember  
    I remember the days  
When I'd make you oh, so afraidAnd this is why I have decided  
    To leave your house and home unhaunted  
    You don't need poltergeist for sidekicks  
You don't need treats and you don't need tricksYou don't need treats  
    You don't need tricks  
    You don't need no HalloweenYou don't need treats  
    You don't need tricks  
And you don't need meHey, would it be so bad if I stayed  
    I'm just a ghost out of his grave  
    And I can't make love in my grave  
    I won't put white into your hair  
    I won't make noises in your stairs  
    I will be kind and I will be sweet  
If you stop staring straight through meAnd this is why I have decided  
    To pull these old white sheets from my head  
    I'll leave them folded neat and tidy  
So that you'll know I'm out of hidingAnd this is why I have decided  
    To leave your house and home unhaunted  
    You don't need poltergeist for sidekicks  
You don't need treats and you don't need tricksYou don't need treats  
    You don't need tricks  
    You don't need no HalloweenYou don't need treats  
    You don't need tricks  
    You don't need no Hallows EveYou don't need treats

You don't need tricks  
And you don't need me
