

Baby, I Believe In You

New Kids On The Block

Baby, I believe in you, and every little thing you do
Every time we kiss, it always feels like this, I believe in you
Baby, I believe in us, and every little inch of our trust
Whether I'm around, you never let me down, I believe in you
Maybe I might sound crazy for the way I feel about you
But, baby, you're just so amazing
And I'm so in love, girl, with you
I believe in you
Maybe I might sound crazy for the way I feel about you
But, baby, you're just so amazing
And I'm so in love, girl, with you
Oh, girl, there's something about you
Maybe I might sound crazy for the way I feel about you
But, baby, you're just so amazing
And I'm so in love, girl, with you
I believe in you
I believe in you, yeah
All the things you do, I believe in you
Yeah yeah
I believe in you
I believe in you
I believe in you
