C'mon (Burnout 3 Takedown OST)

Go Betty Go

Next weekend so suddenly
I try to see the mates
but I have changed
I tried to tell you everything
I guess I wasn't right
and now it's just too lateC'mon, c'mon
that's not what I said
believe, believe
what I meantAll my friends have come and gone
it's like my past erased
and traveled into space
and logically I'm confused
I'm turning to you was
my best solution
C'mon, c'mon
that's not what I said (not what I said)
believe, believe
what I meant (what I meant)
Ease up, ease up
and life will get better (life will get better)
enjoy, enjoy
it's all okayToday I've come to choose my ways
I've seen it all before
I thought it wasn't so
that you will always hide
even when it's not
intended to be that way, that way
1 2 Ready Go!
C'mon, c'mon
that's not what I said
believe, believe
what I meant
Ease up, ease up
and life will get better
enjoy, enjoy
it's all okayC'mon, c'mon
that's not what I said (not what I said)
believe, believe
what I meant (what I meant)

Ease up, ease up
and life will get better (life will get better)
enjoy, enjoy
it's all okayWith all of the thing that I've thrown in your face
It only caused you pain
I have to go now it doesn't make much sense
It's all that I've got leftIt's all that I've got left [x8]
