

Flash X (James Egbert Remix)

ATB

Shooting stars above the city lights
Fill the space between you & I
Falling deep into the dark
For one moment we forgot
Who we are And now I look up to the sky
For shooting stars above the city lights
But empty spaces in the dark
Filled with nothing, but our tiny spark! Don't let it fade,
Winter breaks
In the morning light
Hold onto the night
Don't let it fade,
Winter breaks
In the morning light
Hold onto the night
Oh-oh, ooh ooh
Yeah ye-yeah
Hold onto the night
Oh-oh, ooh ooh
Yeah ye-yeah
Hold onto the night
Oh-oh, ooh ooh
Yeah ye-yeah Shooting stars above the city lights
Fill the space between you & I
Falling deep into the dark
For one moment we forgot
Who we are
And now I look up to the sky
For shooting stars above the city lights
Hold onto the night
But empty spaces in the dark
Don't let it fade
Winter breaks
Filled with nothing, but our tiny spark! Hold on to the night
Oh-oh, ooh ooh
Hold on to the night
Oh-oh, ooh ooh
Yeah ye-yeah
Hold onto the night

Oh-oh, ooh ooh
Yeah ye-yeah
Hold onto the night
Oh-oh, ooh ooh
Yeah ye-yeah
Hold onto the night
