Faithless

My love has gone
His boots no longer by my door
He left at dawn and as I slept I felt him goHmm, hmm
New York, New York, temperature's droppin'
The band's out shoppin', not stoppin' till ears pop
Cops protect shops, lots of yellow cabs and bellhops
And it never stopsI'm waitin' to do an interview, so much to tell you
Today I feel close enough to smell you
Additional dates they were plannin' just fell through
Florida's outWe fly September 22 to Heathrow
But there's not really long to go
Tonight will be a brilliant show
Lettin' you know I miss youMore than four hits the floor at a party
Send my love to everybody
Please, send my love to everybody
Send my love to everybodyHoney, I'm writin' from D.C., feelin' queasy
Stayin' healthy on the road isn't easy
The TM recommends an antigen
One of them could resist againI miss you like a lock in the door
What's more, I go to sleep with my Walkman 'cause half the crew snored
Don't mean to be a bore, everybody's been great
But there's fifteen of us in a bus state to stateSo I stay up late with a tape or meditate
My bed is travellin' at fifty-five M.P.H.
When we make it to L.A., I'll still be miles away
It's not my best day, I'm a get some rest, God blessMy love has gone
Wo, wo
My love has gone
Wo, woWe just stopped at a diner so I'm takin' time to write a few lines
I'm fine, sunshine, the bus driver's
Reclinin' by the grass as the trucks pass
Gleamin' with the flash of sunlight from the glass on the windscreenAs for us, there's too much to relate
We've done five gigs yet we're only in our third state
America's big, you'd love how they pile up your plate
Only place in the world even I can gain weightOur next date is Wilmington, Delaware
Open air, there's a rumor Melle Mel'll be there
Anyway, all my love, God bless, I'm yawning
I really miss watching you get dressed in the morningMy love has gone
Wo, wo
My love has gone

Wo, wo
My love has gone No earthly ships will ever bring
Him home
