NYLA

Weekend

You're in New York, I'm in L.A.
I drive to work, you take the rain.
My heart - it burns, yes it burns, yes it burns
We're oceans away.

I'll be asleep by the time you're awake,
By the time you're awake, babe.

I know that you're hurt, I know I'm to blame.
But I'll make it work, I'll make you stay.
Until that day, I'm one plane ride away
From New York to L.A..
I'll be one plane ride away
From New York to L.A.
'Til you stay, 'til you stay, 'til you stay.
'Til you stay.

You're in New York.

I'm in L.A., you're in New York.
I missed you today so bad that it hurt.
My heart - it burns, yes it burns.
2800 miles away.

And I'll be asleep by the time you're awake,
So I'm calling to say

I know that you're hurt, I know I'm to blame.
But I'll make it work, I'll make you stay.
Until that day, I'm one plane ride away
From New York to L.A.
I'll be one plane ride away
From New York to L.A.
'Til you stay, you stay.

You feel the same,
Do you feel the same?

I know that you're hurt, I know I'm to blame.
But I'll make it work, I'll make you stay.

Until that day, I'm one plane ride away
From New York to L.A.

I'll be one plane ride away
From New York to L.A.
'Til you stay, you stay.
