

It's You

Sawyer Fredericks

Well Baby I donâ€™t think
I can love you
Well Baby I donâ€™t think
I want to
Itâ€™s everything about you
Itâ€™s everything about you
That stops me from loving you

Take the picture off the wall
It doesnâ€™t make me happy no more
Take the flowers off the step
Theyâ€™ll just get peed on by the cats
You can take them back
Donâ€™t forget the cats

Well Baby I donâ€™t think
I can love you
Well Baby I donâ€™t think
I want to
Itâ€™s everything about you
Itâ€™s everything about you
That stops me from loving you

I got the locks changed
Thatâ€™s why your key donâ€™t work
Your stuff is in the backyard
I got the windows locked
You canâ€™t get in
So stop trying

Well Baby I donâ€™t think
I can love you
Well Baby I donâ€™t think
I want to
Itâ€™s everything about you
Itâ€™s everything about you
That stops me from loving you

Well Baby I donâ€™t think
I can love you

Well Baby I don't think
I want to
It's everything about you
It's everything about you
That stops me from loving you

And it's not me
It's you
And it's not me
It's you
And it's not me
It's you
And it's not me
It's you
