

Addicted to Love

Tina Turner

The lights are on, but you're not home
Your mind is not your own
Your body sweats, your body shakes
Another kiss is what it takes You can't eat, you can't sleep
There's no doubt you're in deep
Your throat is tight, you can't breathe
Another kiss is all you need Oh, you like to think that you're immune to the stuff, oh yeah
Closer to the truth, you know
You're gonna have to face it
Might as well face it, you're addicted to love You see the signs that you can't read
You're running at a different speed
Your heart it beats another time
Another kiss and you'll be mine, one track mind You can't be saved
Another young love is all you crave
And if the sun's left for you
You don't mind it feels blue Oh, you like to think that you're immune to the stuff, oh yeah
Closer to the truth, you know
You're gonna have to face it
Gonna have to face it you're addicted to love Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love Might as well face it
Might as well face it
Might as well face it
Might as well face it, you're addicted to love Your lights are on, but you're not home
Your mind is not your own
Your body sweats, your body shakes
Another kiss is what it takes You can't eat, you can't sleep
There's no doubt you're in deep
Your throat is tight, you can't breathe
Another kiss is all you need Oh, you like to think that you're immune to the stuff, oh yeah
Closer to the truth, you know
You're gonna have to face it
You might as well face it you're addicted to love Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love You might as well face it
Might as well face it
Might as well face it

Might as well face it, you're addicted to love
