

I'll Take You On

Howie Day

Make me fall down
Make me get up
And if I'm alright
Make sure I'm scared to death Maybe I'm useless
If I could just remember
Make me feel nervous and I'll
I'll make you surrender I'll take you on
Yeah I'll take you on And I'll give it all away
But you don't, but you don't
I'll give it all away
But you don't feel much better You said it yourself
You said I'm not ready
And I'm tellin' myself
But it's not sinking in Maybe I'm new at this
Or is it just your reaction?
Be my illusion and I'll
Be your distraction I'll take you on
I'll take you on I'll give it all away
But you don't, but you don't
I'll give it all away
But you don't feel much better Would I be hurt?
It wouldn't hurt to see you again
Do you see what I meant when I told you before?
That I never wanted to feel like this again, no
(No no no no no oh oh ohh) And I'll give it all away
But you don't, but you don't
I'll give it all away
But you don't feel much better Can we stop all the world now
Sooner or later
I'll lose all control now
When the rain stops we'll end it, oh, now Nothing to fear here
In my baby's arms
I'll take you on
I'll take you on
Take you on
Take
