## BS (A. Whiteman)

C-O-N-D-O-M Wear condoms!

C-O-N-D-O-M Wear condoms!

C-O-N-D-O-M Wear condoms!

C-O-N-D-O-M Wear condoms! Wondering whats wrong... Why do you feel this way? Gotta to see a

doctor... You're sleeping around, gotta lot of partners

Getting' ass, gettin' head, fucked a lot of daughters

Hit it once, then you're done, then move onto others

Livin' just like a king... Your pee starts to burn, gettin' worried

Your balls start to itch, scratch with fury...

The swelling won't stop - Getting' worried...

Better.Go.Get.Tested.... And now you're thinking twice! About all your lovers

And all those random nights, underneath the covers

The test is positive - You better go get some med's...

Take your dock-si-syc-clean... I'm talking about Chlamydia - Ain't as bad as syphilis

Chlamydia! But it's still some nasty shit...

Chlamydia! Put a God-Damn rubber on!

Chlamydia! Chlamydia! C-O-N-D-O-M Wear condoms!

C-O-N-D-O-M Wear condoms!

C-O-N-D-O-M Wear condoms!

C-O-N-D-O-M Wear condoms! The chicks you can't call - Don't even have their number

You feel all alone - Take your a pills for a week...

And the women - Which one was dirty?

And.what.were.her.symptoms? Girls have ab-do-man pain, in many cases

It hurts like hell during urination...

Won't have any kids - steral -li- zation

Better.Go.Get.Tested.... And now you're thinking twice! About all your lovers

And all those random nights, underneath the covers

The test is positive - You better go get some med's...

Take your dock-si-syc-clean... I'm talking about Chlamydia - Ain't as bad as syphilis

Chlamydia! But it's still some nasty shit...

Chlamydia! Put a God-Damn rubber on!

Chlamydia! Chlamydia! C-O-N-D-O-M Wear condoms!
