

# Cheyenne

[Eric Lazar](#)

I left Nebraska lookin' at sundown  
    Needin' a shave and a bath  
Wyoming night time could be a comedown  
    Where do I go for a relapse?  
    And Cheyenne, Cheyenne

Goofin' with the barfly, pretty little green eyed  
    Shook and throw a smile  
Head's in the right place, baby's got a sweet face  
    Falls down western style

Cheyenne, Cheyenne, get me high and  
    Keep me that way  
Cheyenne, Cheyenne still try and  
    Steal my heart away  
    Cheyenne, Cheyenne

Annie is a cowgirl, a here and now girl  
    Said she can make me a man  
She showed me how, I said, "Oh wow"  
    I'll come again when I can

And Cheyenne, Cheyenne, get me high and  
    Steal my heart away  
Cheyenne, Cheyenne stop your cryin'  
    'Cause I'm here to stay

Cheyenne, Cheyenne  
Cheyenne, Cheyenne  
Cheyenne, Cheyenne
