

Superhero

Bane

she rolls her eyes
and lights another
"one day i'll quit these things,
they're killing me."
she blows her brains
right out her fucking mouth
i just don't know how you do it well, there is nothing in me
that you don't have
deep within your fucking self
well, there is nothing in me
that you do not have
deep within your fucking self yes, the body is weak
but the mind is stronger
it controls the body
you are not a slave. and i am not a superhero!
