

Another Way (Angelia in Festa)

Gigi d'Agostino

I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song

When I look into your eyes, I feel my soul fly around the world (in the sky)
Now you're in my dreams alive, what I feel is paradise inside my world
When I look into your eyes, I feel my heart at flight around my skies

When I stay with you alive, what I feel is paradise inside my life.
Don't you see that I want to touch your body
Don't you see that

I'll fly with you, I'd die for you
Living in another way,
To live it up just another day
Living in another way
Don't stop don't stop
Don't stop put it down)
Living in another way,
To live it up every single day
Living in another way

(Don't stop don't stop put it down) Another way

You'll never do it, come and sing my song, song

I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, sing, song

I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong

You'll never do it Don't you see that

I want to touch your body
Can't you see that I'll fly with you,
I'd die for you
Living in another way,

To live it up just another day
Living in another way
(Don't stop don't stop
Don't stop put it down)
Living in another way,
To live it up every single day
Living in another way
(Don't stop don't stop put it down)
