

Dedication To My Ex (miss That)

Lloyd

[Lil Wayne]Hey yall
I come to talk about this girl that had my love ya see
I went away for a while, and
She gave my love away, and
I really shouldn't blame her
But now that pussy is a stranger
[Lloyd]Baby, something's on my mind I gotta say it
Yeah, Your pussy done changed
It ain't the same girl and that's a shame
(A crying shame baby)
Oooh, aint being funny
I know another bee's been in that honey
Ooh, baby, that pussy done changed
It's such a shame girl and that's a shame
(Who the hell you been giving my loving to girl?)
Oooh Nooo
Tell me where that pussy gone
Cause it don't feel the same no more
(I miss that pussy, that pussy, that pussy)
Oooh Nooo
(Why you do me like that baby)
Why is that happening to me
Oooh Nooo
She told me that it was my pussy
(I miss that pussy, that pussy, that pussy)
Oooh Nooo
Yeah yeah yeah yeah
She, she used to be a really special lady
I guess she's feeling kinda freaky lately
It's such a shame cause now the pussy's changed
(That pussy changed)
She used to squeeze me
Grip me tight enough so she could please me
But now-now, that pussy changed
It's such a shame, that pussy changed
Oooh Nooo
Where did ya pussy go?
Cause girl, I need to know
(I miss that pussy, that pussy, that pussy)

Oooh Nooo

I'ma about to kill this b****

Oooh Nooo

She gave away all my s****

(I miss that pussy, that pussy, that pussy, that pussy)

Oooh Nooo

Yeah, yeah, yeah, yeah

[Andre 3000]Damn, darlin', do change ya oil?

I'm your number one fan belt they got nothin' harder

I don't use a cordless... microphone avoid 'em

They don't feel real to me

Meaning real woman

Others peeled on me (like paint)

You the primer on the lime bean green box when I couldn't afford a Ford

Clean socks scootin' across the floor in your grandmama house

Hand on your mouth

You yap too much about the penny ante, this mechanic so uncanny

X-men, x-men, your ex boyfriend should thank me that I took you off his

Hands

No I can bring another beach to the sand

And know I am well aware that you can bring a man to his knees

And get what you need without saying please

But can you bring a man to his feet when defeat is on repeat

And they go put this man's Grammy's on the street?

What? Why so quiet?

Hate that all of our memories happened in a Hyatt

You were perfect before you went on a diet

You was way thicker, you think I don't remember

Shit, the magazine got to your head

Now somebody you don't even know got you in bed

Bet ya buddy don't even know you don't like red

Or was it fuchsia? f*** it, our future is dead

[Lil Wayne]I thought a pussy cat had 9 lives man

Oooh Nooo

(I miss that pussy, that pussy, that pussy, that pussy)

Oooh Nooo

She gave away all my s****

(I miss that pussy, that pussy, that pussy, that pussy)

Yeah, yeah, yeh

I miss ya girl
