

# I Love You Golden Blue

## Sonic Youth

Dead boy stares  
Strange to meet you  
Dead boy cares  
So great to see you Isn't it time to go?  
It's a place I know I can't read your mind  
I can't find the time  
I can't feel the thrill  
I don't have the will Dead boy dares  
Believe in you  
Dead boy stares  
Afraid that you will see him Isn't it time to go?  
Is it a place I know? I can't read your mind  
I can't find the time  
I can't feel the thrill  
I don't have the will I love you, a metallic blue  
I love you, golden blue  
I miss you, shinin' all alone  
I miss you, don't know what to do I don't glitter like the stars above  
I don't glow like neon alone  
Don't blush, it's just the wind outside  
Don't rush to be by my side
