

Western Alliance

Metal Church

Obtain a cloak of power
That brings us all genocide
The further satnds before the masses
Malevolence insideCHORUS
 Truth to falsify
 Poisining their minds
 Hell is on the rise
The west must now alignPerceive what is right
 Rush headlong into the fight
 No way you'll take their lying
Their way of life is dyingCHORUS
 Facing on us their will
 Now's the time for us to kill
 Invasion is the only answer
 Infecting us like cancer
