Brightside (Borgeous Remix)

Icona Pop

I wear a smile, you ride the frown
Always do my best to get you upside down
When you're throwing shade, I rearrange the clouds
Got my head up but we're going southLet me be the rose to tint your glass
Spray-paint the lawn to get a greener grass
I'll be your brightsider, 'cause all I wanna do is make you feel a little better
I'll be your cheerleader, with no allowance, baby, I'll be on the bleachersGet up, get up tonight
I will be the one to show you your brightside
Get up, get up tonight
I will be the one to show you your brightsideTo show you your brightsideIf the nightmares come, I'll wake you up
I'll give you Lucky Charms and a sunny-side-up
When your streak runs out, I'll win you more
I'll be your four-leaf clover and a unicornLet me be the rose to tint your glass
Spray-paint the lawn to get a greener grass
I'll be your brightsider, 'cause all I wanna do is make you feel a little better
I'll be your cheerleader, with no allowance, baby, I'll be on the bleachersGet up, get up tonight
I will be the one to show you your brightside
Get up, get up tonight
I will be the one to show you your brightsideTo show you your brightsideWhen I'm down here
It can only get better
See it all clear
Well, at least we're together
Laying under the stars
Thinking 'bout who we are
Claiming 'bout all that we are gonna be
Laying under the stars
I know that it's dark
But let me show you the brightsideGet up, get up tonight
I will be the one to show you your brightside
Get up, get up tonight
I will be the one to show you your brightsideTo show you your brightside
