

# California Dreamin'

[Nancy Sinatra](#)

All the leaves are brown and the sky is gray  
I've been for a walk on a winter's day  
I'd be safe and warm if I was in LA  
California dreamin' on such a winter's day  
Stopped in to a church, I passed along the way  
Well, I got down on my knees and I began to pray  
You know the preacher likes the cold  
He knows, I'm gonna stay  
California dreamin' on such a winter's day  
All the leaves are brown and the sky is gray  
I've just been for a walk on a winter's day  
If I didn't tell him, I could leave today  
Oh, California dreamin' on such a winter's day  
A cold, cold winter's day  
On such a winter's day
