Front Line Assembly

"Please help me!"

"Hostages unguarded, one hostage dead."

"Two terrorists dead."

"Would you like to know what the diagnosis was?"

"Some kind of electrical discharge."

points

Now the anguish

Animate your conscience

Know, know their downfall.

Give them enough rope,

And they'll hang themselves.

Chorus:

Hardly a day goes by

When you hear that fatal cry

That hoping feeling

To comfort distress

So cold so warm

So resentful

.

Expose the skin

Know, know the downfall

Crushing, crushing the ???

(Chorus)

Your so warm, with ??? ???

Its sets into beleaguered animation

The ??? so cold, they ???

Trapped to pieces

Looking for artificial insemination

.

.

(Chorus) x2

Scrape, scrape the skin off your bones. x 2

Inemissive preabduction

Totally artificial insemination

So cold

So...

"Hostages unguarded, one hostage dead."

"Two terrorists dead."
