Keep It Together

Pomplamoose

Keep it together.
I see the walls are shaking.
Keep it together.
It's more than you can take,
But you know you're better,
You know you're better than that.Keep it together.
Talk to your therapist,
And keep it together.
All of your friends insist
That you're looking better.
You're looking better each day.
And you can tell them that you're feeling fine,
Do what's best for their own piece of mind.
Yeah, you can tell them that you're doing good;
God knows you'll be misunderstood. (oh, oh, oh)Keep it together.
When you look in the mirror,
Keep it together.
Focus on your career.
It's mind over matter,
Ain't nothing sadder than that.And you can tell them that you're feeling fine,
Do what's best for their own piece of mind.
Yeah, you can tell them that you're doing good;
God knows you'll be misunderstood. (oh, oh, oh)
Keep it together.
Inject your coffee break,
And keep it together.
Yeah, it's a lot to fake,
But mind over matter,
Ain't nothing sadder than that.
