I can't think straight
Help me now before it's too late
Now what do I care?
'Cause we're going nowhereGoing nowhere
Going nowhere
Going nowhereI can go there
I can go thereI can't think straight
Help me now before it's too late
Now what do I care?
'Cause we're going nowhereGoing nowhere
Going nowhere
Going nowhere
Help meGoing nowhere
Going nowhere
Going nowhereI can go there
I can go there
I can go there
