

# 'Til the Pigs Come Round

## Subhumans

Oh what a great experience  
My house is full of deviants  
My Dad is going mad downstairs  
My brother has just died his hairChorus:  
We got punks and drunks  
And thrills and pills  
And lots of things to make your head go round  
It's fun fun fun fun fun til the pigs come roundSomeone's banging on a drum  
Somke and drink well this is fun  
Neighbors are smashing in the walls  
My mum is making telephone callsChorusPigs outside but no one cares  
Heavy jackboots up the stairs  
It's the D.S., what a joke  
"Hey man, do ya want some smoke?"Chorus
