

# Me Plus One

## Kasabian

Too messed up, I should have followed you  
Where did you get that smile and the fine hair?  
I get my kicks from your walkin'  
I should have gone, I should have been there [Incomprehensible] You come to take me away  
Like a little white rabbit from yesterday  
Little things said, said and done  
I should have shot myself on the run I wanna love, love, love  
I wanna love, love, love right now  
I wanna love, love, love  
I wanna love, love, love right now  
So come on She comes back for the winter  
Looking straight into my eyes  
Now I'm standing like a lunatic  
I bet you feel, I bet you taste good You come to take me away  
Like a little white rabbit from yesterday  
Nothing's said, said and done  
I should have shot myself on the run I wanna love, love, love  
I wanna love, love, love right now  
I wanna love, love, love  
I wanna love, love, love right now  
So come on [Incomprehensible]
