

Confident

KIDZ BOP Kids

(Are you ready? Ha) It's time for me to take it
I'm the boss right now
Not gonna fake it
Not when you go out
'Cause this is my game
And you better come to play I used to hold my self back
Now I'm letting go
I make my own choice
Yeah I run this show
So leave the lights on
No, you can't make me behave So you say I'm complicated
That I must be outta my mind
But you had me underrated
Rated, rated Ooh
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh) It's time to get the word out
Is your tongue tied up?
'Cause this is my ground
And I'm dangerous
And you can get out
But it's all about me today Ooh
So you say I'm complicated
That I must be outta my mind
But you had me underrated
Rated, rated What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh) Uh huh (hey)
Wooh
So you say I'm complicated
But you've had me underrated Ooh
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)

What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
What's wrong with being, what's wrong with being
What's wrong with being confident (ooh)
