Axis of Evil

Sodom

We've been called to defend our freedom
Our grief has turned to anger
We've seen the decency of loving people
Deliver them from foreign dangerWe'll never rest
We're not relent
Until the day you get condemnedAxis of evil
Must be opposed
Axis of evil
Justice will comeStrike 'em down for god and liberty
To stand in a mindless world of hate
In the name of all humanity
Before the growing life decaysWe will not fail
We will not tire
Rebellion to the godless crimeAxis of evil
Must be opposed
Axis of evil
Justice will comeA faithful world behind the war
Nothing remains but endless peace
That's what we'll always fighting for
The bad will fall at least
We should be proud of our glory
Because of our past
The time is right to realize
We'll standing to the lastWe've been called to defend our freedom
Our grief has turned to anger
We've seen the decency of loving people
Deliver them from foreign dangerWe will not fail
We will not tire
Rebellion to the godless crimeAxis of evil
Must be opposed
Axis of evil
Justice will comeAxis of evil
Axis of evil
Justice will come
