

Work It Out (Demo)

Def Leppard

Day and night, black and white
You take it all for granted
I'm the one who turns you on When you don't know where you belong
And nothin' seems to matter
I'm the one who's holding on It's alright to be wrong
All we need's a little time
But nothing here can last that long We show the world a brand new face
It's taken us all this time
All this time
All of this doubt We get to work it out
All of this doubt
We get to work it out Yesterday you lost your way
Still looking for an answer
I'm the one who holds the key When you don't know where you belong
And nothing seems to matter
I'll unlock this mystery We show the world a brand new face
It's taken us all this time
All this time
All of this doubt We get to work it out
All of this doubt
We get to work it out We show the world a brand new face
It's taken us all this time
All this time
All of this doubt We get to work it out
All of this doubt
We get to work it out
All of this doubt Day and night, black and white
Take it all for granted
(We get to work it out) I'm the one who turns you on
Turns you on, turns you on
(All of this doubt) When you don't know where you belong
And nothin' seems to matter
(We get to work it out)
I'm the one who's holdin' on
Holdin' on, holdin' on
