Sure Feels Good

Clubland 11

Close Your Eyes
And Hold On Tight
Just Let The Music Play
Lets Take A Ride
Into The Night
A Place Where We Can Stay
Feelin' The Moment
Won't Let It Slip Away
Sure Feels Good To Me!
I Can't Get Enough Now
A Just Wanna Stay
Sure Feels Good To Me!
Sure Feels Good!
Sure Feels Good!
Sure Feels Good!
Sure Feels Good!
Sure Feels Good To Mee!
Feelin The Moment
Won't Let It Slip Away
Sure Feels Good To Me!
A Can't Get Enough Now
I Just Wanna Stay
Sure Feels Good To Me!
(Intrumental)
Reach Up High
And Feel The Vibe
Let's Take It All The Way
Follow Me
Let's Dance All Night
A Place Where We Can Stay
Feelin' The Moment
Won't Let It Slip Away
Sure Feels Good To Me!
A Can't Get Enough Now
A Just Wanna Stay
Sure Feels Good To Me!
Sure Feels Good!
Sure Feels Good!
Sure Feels Good!

Sure Feels Good!
Sure Feels Good To Mee!
Feelin The Moment
Won't Let It Slip Away
Sure Feels Good To Me!
A Can't Get Enough Now
A Just Wanna Stay
Sure Feels Good To Mee!
