

Human

Rusty Clanton

I wanna pick you up and scoop you out
I wan't the secrets your secrets haven't found
I wan't to give you your grin So tell me you can't bear a roam then i'm not in
Pay me in trust i'll be your best friend
Call me the one, this night just can't end will you share your soul with me
Unzip your skin and let me have a see
I wan't to give you your grin
So tell me you can't bear a roam then i'm not in
Pay me in trust i'll be your best friend
Call me the one, this night just can't end
I'm so human
we're just human Lean for me and i'll fall back
You'll fit so nicely you'll keep me intact
Pay me in trust i'll be your best friend, call me the one, this night just can't end
I wan't to give you your grin
So tell me you can't bear a roam then i'm not in
Pay me in trust i'll be your best friend
Call me the one, this night just can't end I'm so human
we're so human(etc)
