

Me and You

Jamie Lidell

Let's get together
Let's turn things around
To make our lives better
Let's take the hate
And flip it over
Love, respect, and hold one another I can't accept
That we're so different
I don't believe
We don't hurt the same
Cuz everybody weeps sometimes
And feels the hopelessness of pain But me and you
Me and you
Together we can't lose
No no
Me and you
Me and you
Together we can't lose I know you're my brother
I know you're my sister too
I know I wanna hold your hand
And make it through
All this with you Cuz I can't accept
That we're so different
I don't believe
We don't hurt the same
And I don't wanna be divided
When together we can ease each other's pain Me and you
Me and you
Together we can't lose
No no
Me and you
Me and you
Together we can't lose Me and you
Me and you
Together we can't lose
No no
Me and you
Me and you
Together we can't lose
