Will You Still Love Me Tomorrow

Lobo

Tonight you're mine completely
You give your love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow, tomorrow?Is this a lasting treasure
Or just a moment's pleasure?
Can I believe the magic of your sight?
Will you still love me tomorrow?Tonight with words unspoken
You say that I'm the only one
But will my heart be broken
When the night meets the the morning sun?I'd like to know if your love
Is love I can be sure of
