

# Goodnight My Friend

## Vertical Horizon

Goodnight my sun  
Goodnight my friend  
Rest your soul  
At this long day's endThe fire inside  
Will warm our night  
And daddy's arms  
Will hold you tightDream of summer skies  
Sunset is bound to each sunrise  
Rest is your first right  
My friend goodnightThis world spinning  
Time always winning  
The silver chains keep thinning  
And this is just your beginningSleep my friend  
At last be free  
No we won't forget  
Our merriest melodyGone to another place  
Of carousel rides 'round an angel's face  
I'm sure we'd both laugh at the sightMy friend goodnight
