

Bubbles In My Beer

[Willie Nelson](#)

Tonight in a bar alone, I'm sitting
Apart from the laughter and the cheer
While scenes from the past rise before me
I'm watching the bubbles in my beer I'm seeing a road that I've traveled
A road paved with heartaches and tears
And I'm seeing the past that I've wasted
While watching the bubbles in my beer A vision of someone who loved me
Brings a long silent tear to my eye
As I think of the heart that I've broken
And of the golden chances that have passed me by Oh, I know that my life's been a failure
And I've lost everything that made life dear
And the dreams I once dreamed now are empty
As empty as the bubbles in my beer A vision of someone who loved me
Brings a long silent tear to my eye
As I think of the heart that I've broken
And of the golden chances that have passed me by Oh, I know that my life's been a failure
I've lost everything that made life dear
The dreams I once dreamed now are empty
As empty as the bubbles in my beer
