They locking all the masses serving in there to scare ya
Well rub it out to wheel with this shit
To serve and protect yo I aint buying it
Do it for the power, they abusing the glory
Simple as a badge and it used to be out
Run the streets running as a moment to letting
Fighting to fight for the people, noWe are
Living in a police state
Situations getting grave
Right now its all i know
We are
Living in a police state
Mothers on your rights at stake
Right now Im taking inGet ready cuz its time to go
Heaters move in and before you know they got us all surrounded
The call has been sounded
This is how its going down tonight
Tonights when we set things right and besides
