## Jukin'

## **Atlanta Rhythm Section**

If you like to go jukin' If you like the western swing Outside of Austin, Texas I know a cowboy's dreamIt ain't much to look at Just another cowboy club But they got jukin' And I got jukin' in my bloodWhen it comes to country music I never liked it much Till I heard it played With that Texas touchKinda like to boogie Just can't get enough Don't you wanna go jukin'? Let's go jukin' I got jukin' in my bloodLet's go jukin' Don't you wanna go jukin' I got jukin' in my blood All right, one time now, DeanDeep in the heart of Texas The jukin' never stops It used to be the Texas Playboys But now, old ZZ's TopsKeeps on smoking Lord, I hope it always does Don't you wanna go jukin' Let's go jukin' I got jukin' in my bloodLet's go jukin' Don't you wanna go jukin' I got jukin' in my bloodIf you like to go jukin' If you like the western swing Outside of Austin, Texas I know a cowboy's dreamIt ain't much to look at Just another cowboy club

Yes, I do

But they got jukin'
And I got jukin' in my bloodLet's go jukin'
Don't you wanna go jukin'
I got jukin' in my blood
