Don't (feat. Deni Gauthier)

Rose Cora Perry

V1: I know that you just canâ€™t seem to let go
I know youâ€™re scared and that you have lost hope
But I will not hurt you, my intentions are pure
But you keep on running, youâ€™re only just hurting yourself

V2: I know they broke you, made you insecure
But I know the real you, all else I donâ€™t care
I know you fear that Iâ€™m one in the same
How can I show you? Why wonâ€™t you let me take your worries away?

Chorus: Donâ€™t deny me
When Iâ€™m all that you have ever wanted
Donâ€™t stop trying
When you canâ€™t get me out of your mind
Donâ€™t keep on pushing
Iâ€™m afraid Iâ€™m gonna leave this time
Donâ€™t keep running

V3: I know weâ€™ve been scared in this place before
I know itâ€™s hard to forget when youâ€™re torn
But I know what we have is more than they gave
And I know my heart, and so I pray
Youâ€™ll be brave for me â€“ look back no longer

Bridge/Outro: Donâ€™t keep lying to stop from trying
Donâ€™t keep lying to stop from falling for me
Donâ€™t
Never opened myself this way
Love is ours, weâ€™ll live it our way
Donâ€™t, and nothing else
Donâ€™t, and nothing else
Donâ€™t, and nothing else matters
