High Maintenance

Miranda Cosgrove

(Miranda Cosgrove)
I can't sleep, I keep you up all night
I know sometimes I get a bit uptight
So what if I break a few glasses
Kick a few asses
You know I'm worth it
(Here we go)
I'm the color on your pallet
The sweetness on your tongue
You know how to work
I know how to have fun
All I want is everything
Does that make sense?
Does that make me high maintenance?
I crashed your new Ferrari
Baby fix the dents
Does that make me high maintenance?
No-o-o-o-o-o-o
I don't think so
(Check it out)
(Rivers Cuomo)
I went away and left the key to my space
You had a big party
Your friend trashed the place
The neck of my Strat was broken in half cause
The dude thought he was Van Halen
You always keep me waiting
You're on Miranda time
But you know the promoters
You never wait in line
(Miranda)
All I want is everything
Does that make sense?

Does that make me high maintenance?
(Rivers)
You crashed my new Ferrari
Then said fix the dents
Yes that makes you high maintenance

Woah-oh-oh-oh-oh-oh-oh
(Miranda)
I don't think so
(Both)
Hey hey
(Miranda)
Just wanna have some fun
(Both)
I Said hey hey
(Rivers)
You're not the only one
(Both)
I Said Hey hey
(Miranda)
I know some games that we could play
(Rivers)
Okay
(Miranda)
What's up?
Yeah
Come on
(Miranda)
All I want is everything
Does that make sense?
Does that make me high maintenance?
(Rivers)
You crashed my new Ferrari
Then said fix the dents
Yes that makes you high maintenance
Woah-oh-oh-oh-oh-oh-oh
(Miranda)
I don't think so
