

# Drown Me In Your Love

Jacquie Lee

You don't make it easy for me  
If I let go, imagine where we could be  
If I spent less time trying to make up my mind  
Then I would see, you're exactly what I need  
Stop reading my mind  
You're searching for signs  
I'll meet you halfway  
It's taking me time seeing the words that I find that are easy to say  
WHY DON'T YOU DROWN ME IN YOUR  
LOVE?  
WHEN I FALL DOWN WHO WILL PICK ME BACK UP?  
WHO WILL SAVE ME FROM MYSELF WHEN I SEE YOU THERE'S NO ONE ELSE  
WHY DON'T YOU DROWN ME IN YOUR LOVE?  
Drown me, drown me in your love  
Drown me, drown me in your love
