

# Calmarie

[Debbie Harry](#)

Neste barco nave gando luz, som e color azul desta sandade e omar e tao calmo,  
solidao. Aea, la la la, aea, la la la, aea, la la la, aea, eae, e tao calmo. Aea, la la la,  
aea, la la la, aea, la la la, aea, eae, e tao calmo, solidao. On this boat navigating sunlight, sound and heat and the  
blue of this longing that  
the sea is so calm, solitude. Ah, Calmarie. Ah, Calmarie, standing ever so still, looking pretty for me. Deep,  
deep aquamarine. Ah, Calmarie. Ah, Calmarie.
