

Vegetarian Mumbo Jumbo

NOFX

Vegetarian
Vegetarian
Vegetarian I, I don't want tofu
I'd rather have a mouthful of beef stew
I don't wanna be a vegetarian
Why eat beans when you can have steak instead? I don't feel bad about
Eating something that's dead
Why should I be sad
For cows getting hit in the head? So I like eating fish
Tell me what's wrong with this
How can you blame me
For eating chicken of the sea? Vegetarian Don't waste your breath yelling at me
About animal rights
And how they should be free
'Coz it's survival of the fittest
And we're winning I don't feel bad about
Eating something that's dead
So why should I be sad
For chickens being force fed So I like eating fish
Tell me what's wrong with this
How can you blame me
For eating chicken of the sea? Vegetarian
Go fry an egg
